- Automatic multiple image cropping creates multiple images in one scan to save your time

Overview

Avision is proud to introduce its slim scanner series. With scan size up to A4, the Avision FB25 is your ideal tool to digitize your business document. Based on the innovative CIS (Contact Image Sensor) technology, the FB25 is only 1.7 in. in height and weights a mere 1.8 kg.

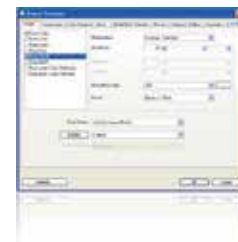

No Warm Up Needed and Fast Scan Speed

The LED illumination system not only saves power, it doesn't require any warm up time. The FB25 is ready to go as soon as you turn it on. It's fast too! It only takes 7 seconds to scan an A4 size document.

What we have bundled

The Avision FB25 scanner comes with TWAIN, WIA driver and is also bundled with full version of exclusive Nuance PaperPort SE14.

Advanced TWAIN Driver

Avision's easy-to-use TWAIN driver provides various useful features such as auto color detection, color matching, to enhance your image quality and improve your productivity.

Multi-stream

Scan one image and show 2~3 images in different image modes in one time.
